Because of many errors from 1875 to present the amounts shown on duplicate in name of Cumberland are practically all incorrect. The above acreages are corrected as shown on actual plat presented to Auditor this day.
All land in James A. Cumberland's name was actually transferred to Caroline Cumberland by will in 1918. See deed book G.T. page 120. Caroline, at death, owned 41.56 acres in Lemasters Survey in fee and all other tracts were held by her for life and then to the heirs of her body. See affidavit of Transfer to Clark D Cumberland et al. and deed to Robert S. Creswell & Jessie Creswell for complete information about all past transfers.

Should have been transferred 1939
